

PRO-VELO

Team Pro-Velo:

Recently cycling in New Zealand has enjoyed terrific growth and some interesting new developments in road racing. Bike NZ as a new initiative has introduced a team points race to be known as the NPS (National Point Series). The NPS will include a variety of road races held around New Zealand and offer the opportunity for true team racing.

Pro-Velo (NZ) Limited is delighted to be able to participate in this series by providing sponsorship and funding thus giving these young guys the opportunity to balance their study and training.

Team Pro-Velo will be Managed by Murray Gate himself a keen cyclist. Gordon McKendry of **Pro-Velo (NZ) Limited** will take a background role as Team Director.

The series will see them competing in at least 6 of the 11 events throughout NZ ranging from the **Pro-Velo Auckland 1000**, which is a 130 kilometre race on July 27th, through to close to 200 kilometres in The K2 held in October around the hilly and scenic Coromandel. Additionally there are a number of other events and races held throughout New Zealand that the **Team Pro-Velo** will be participating in throughout 2008 and 2009.

Team Pro-Velo is made up of current and ex AGS, MacLeans, St Kents, Massey and Westlake High School students. Having competed as proud students for their schools they can now take it to the next level in racing with true team racing on the national circuit. Some of the guys have already competed for NZ age group teams, or as individuals.

Pro-Velo (NZ) Limited are suppliers of Velotex and Polaris Cycling Clothing and accessories. Our speciality is Corporate and Team Kit and Bike Luggage/Pods. An online E-Tail web site will be established in August 2008.

Come and show your support, cheering on the **Team Pro-Velo** boys as they race against more experienced riders throughout this exciting series.
